Once you are in your account, please make sure your account details are current.

Home

You are logged into your account

Notice of dates when maps are updated.

If your map says expired then go your account and download the new map.

If your account is expired. You will have to purchase a new map.

Always check to make sure your Account information is up todate

Important Notes

Our maps are updated throughout the year due to data changes that affect the accuracy of the maps. Most of the major updates are on 3/1, 6/30, 8/30 & 9/30. If you go to work with your map and it says "Map Expired" please scroll below to download the most current map. If you have no download button by your state, your subscription has expired & you must renew it.

First Name: Sparky

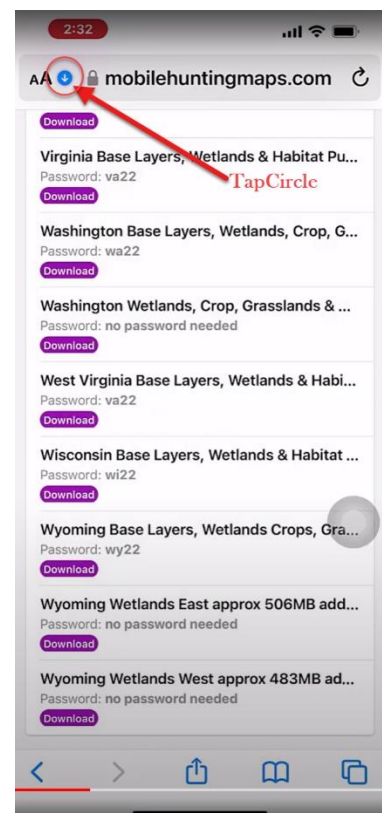

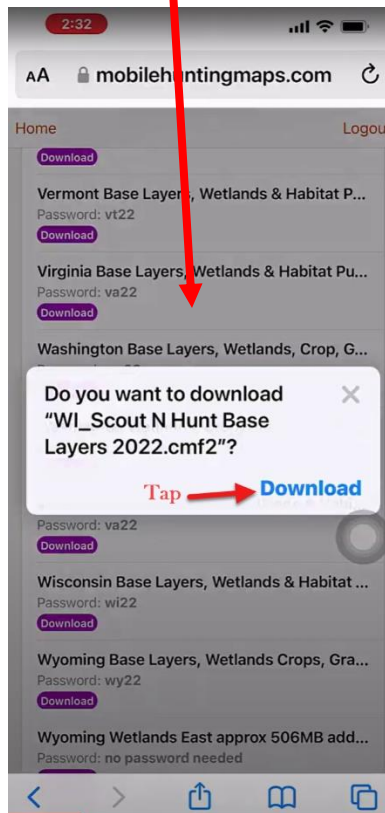

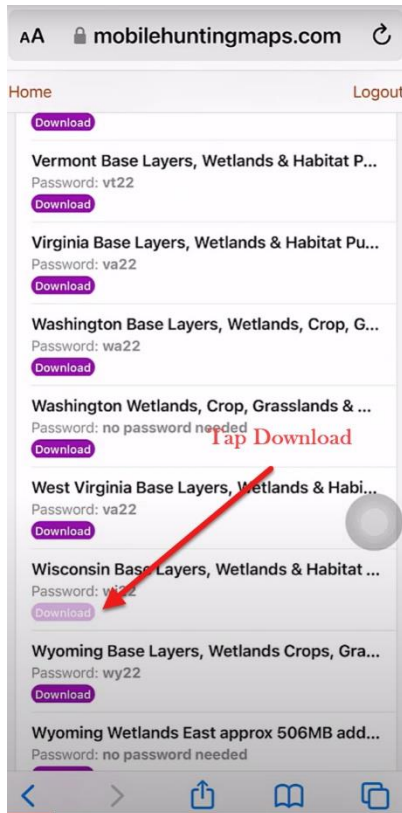

- If you want to **upgrade from a single state to the All-States-Bundle**, then tap on **Upgrade to All State**.
- Then **Scroll down** to the next section on the page.
- **Note your subscription renewal date.**
- You can **edit account details**.
- **If you have not downloaded the CarryMap application.**
- **Please tap the appropriate tab.**
- **You need to download the CarryMap app first.**
- **It is the App that reads the map and will house the map as well.**

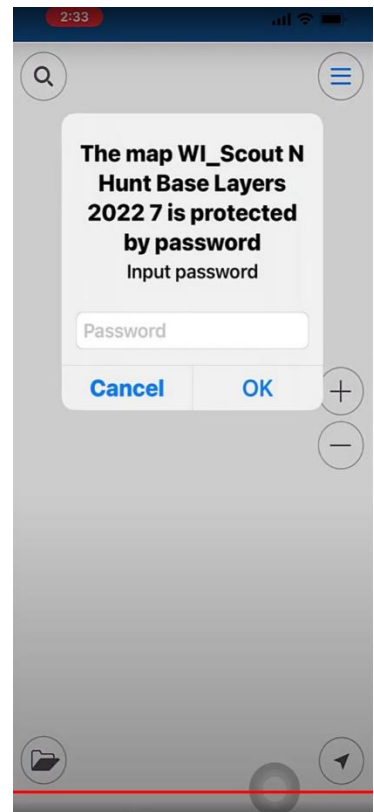

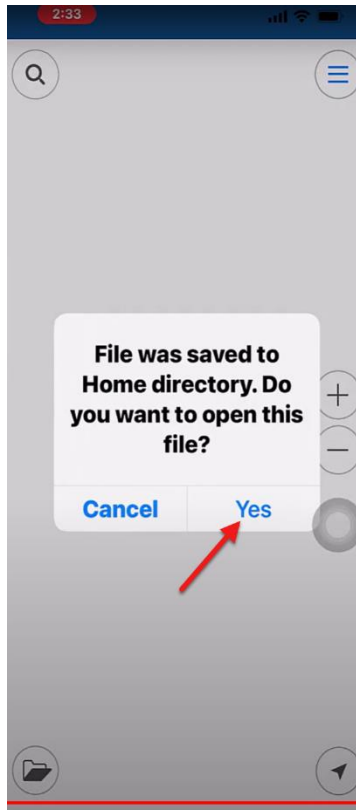

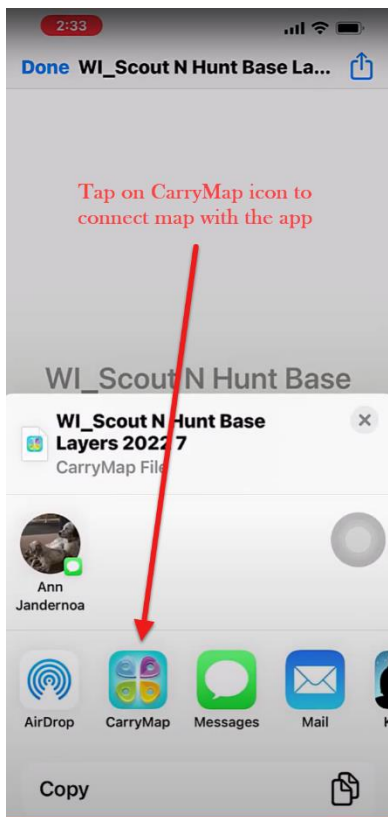

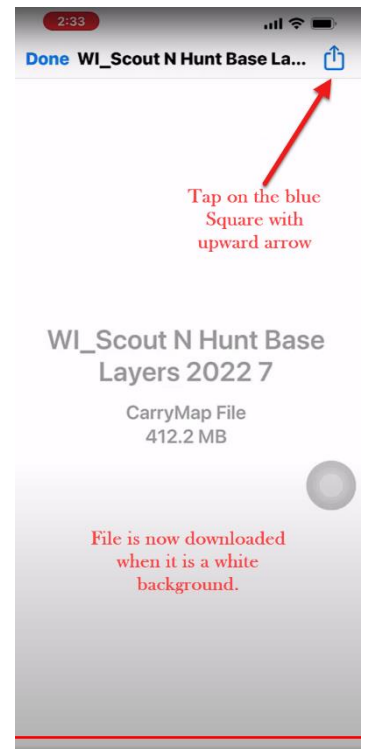

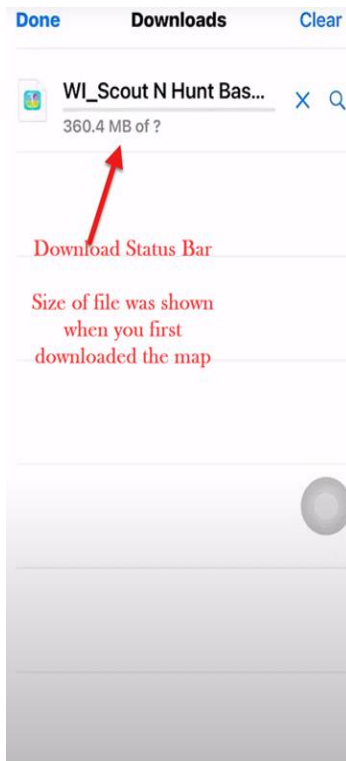

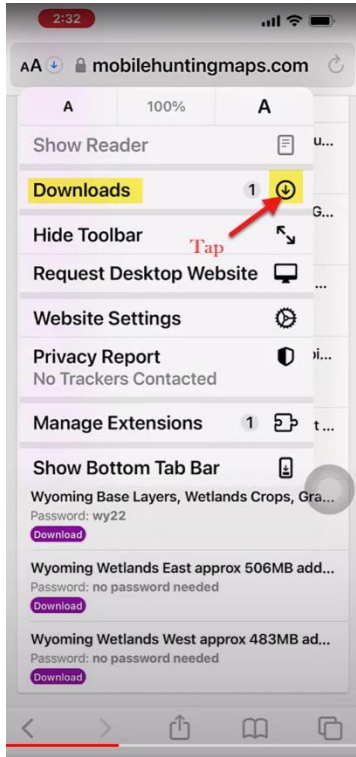

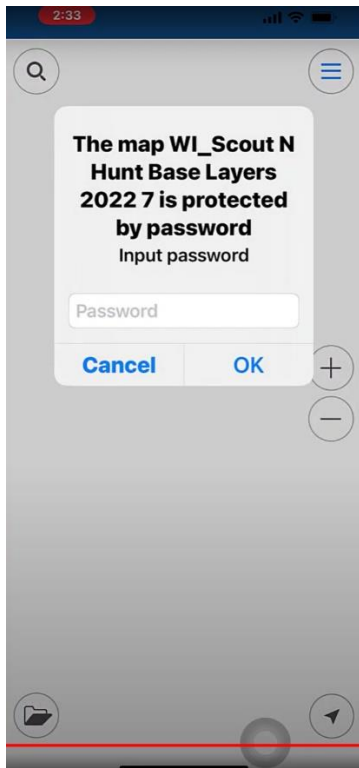

Scroll to the bottom of the page and you will see your Download button in Purple. Tap on the download button.

A pop up will appear asking if you want to download this file. Tap Download.

The password to open the map is not the same as the password you used to access your account.

The **password to open the map** is found just above the download button for downloading the map from your dashboard...on our website.

For additional information about some of the features to CarryMap please visit our video section.
